BOOK 2

- chapter 5 aim 92
- chapter 6 the point 105
- chapter 7 neutralization 116

table of contents

LIST OF FIGURES

- figure 5.1 – example hand position
for aiming 100
- figure 5.2 – taking out the slack at the
point of contact 101
- figure 6.1 – example contact point 110
- figure 6.2 – moving energy up to the
next joint 111
- figure 6.3 – example position of going
“through” the point 114
- figure 7.1 – classic single hand circle 1 121
- figure 7.2 – classic single hand circle 2 122
- figure 7.3 – classic single hand circle 3 123
- figure 7.4 – classic single hand circle 4 124
- figure 7.5 – classic single hand circle 5 125
- figure 7.6 – classic single hand circle 6 126
- figure 7.7 – classic single hand circle 7 127
- figure 7.8 – neutralization turning left
and level starting position 129
- figure 7.9 – neutralization turning left
and level 130
- figure 7.10 – neutralization turning right
and level, a starting position 132
- figure 7.11 – neutralization turning right
and level, after turn. 133

- figure 7.12 – neutralization turning right
and down. a starting position 135
- figure 7.13 – neutralization turning right
and down 136
- figure 7.14 – neutralization turning left
and down. a starting position 138
- figure 7.15 – neutralization turning left
and down. after turn. 139
- figure 7.16 – neutralization, pusher inside.
a starting point 141
- figure 7.17 – neutralization, pusher inside.
after turn. 142
- figure 7.18 – neutralization, pusher outside.
a starting position. 144
- figure 7.19 – neutralization, pusher outside.
after twist. 145
- figure 7.20 – neutralization, example not
going backwards. a starting
point. 147
- figure 7.21 – neutralization, example not
going backwards. after
neutralizing. 148

LIST OF VIDEOS

- VIDEO 5.1 – demonstration of aim 99
- VIDEO 6.1 – shifting energy from the point
to the next joint up 109
- VIDEO 6.2 – taking out the slack at the
point 112
- VIDEO 7.1 – neutralizing during the classic
single hand circle. 120
- VIDEO 7.2 – two hand, “straight line”
neutralization, level of left 128
- VIDEO 7.3 – two hand, “straight line”
neutralization, level to right 131
- VIDEO 7.4 – two hand, “straight line”
neutralization, right and
down 134
- VIDEO 7.5 – two hand, “straight line”
neutralization, left and
down 137
- VIDEO 7.6 – two hand, “straight line” pusher
arms both 140
- VIDEO 7.7 – two hands, pusher with both arms
outside 143
- VIDEO 7.8 – two hand, defender not going
backwards 146

BOOK II

chapter 5 aim

- » what is it?
- » how do I learn it?
- » DRILLS
 - video 5.1 – demonstration of aim
- » figure 5.1 – example hand position for aiming
- » figure 5.2 – taking out the slack at the point of contact
- » some thoughts

chapter 6 the point

- » what is it?
- » how to work it
 - video 6.1 – shifting energy from the point to the next joint up
- » figure 6.1 – example contact point
- » figure 6.2 – moving energy up to the next joint
 - video 6.2 – taking out the slack at the point
- » DRILL
- » figure 6.3 – example position of going “through” the point

chapter 7 neutralization

- » what is it?
- » DRILLS
 - VIDEO 7.1 – neutralizing during the classic single hand circle.
- » FIGURE 7.1 – classic single hand circle 1
- » FIGURE 7.2 – classic single hand circle 2
- » FIGURE 7.3 – classic single hand circle 3
- » FIGURE 7.4 – classic single hand circle 4
- » FIGURE 7.5 – classic single hand circle 5
- » FIGURE 7.6 – classic single hand circle 6
- » FIGURE 7.7 – classic single hand circle 7
 - VIDEO 7.2 – two hand, “straight line” neutralization, left to left
- » FIGURE 7.8 – neutralization turning left and level starting position
- » FIGURE 7.9 – neutralization turning left and level
 - VIDEO 7.3 – two hand, “straight line” neutralization, level to right

- » FIGURE 7.10 - neutralization turning right and level. a starting position
- » FIGURE 7.11 - neutralization turning right and level. after turn.
 - VIDEO 7.4 - two hand, "straight line" neutralization, right and down
- » FIGURE 7.12 - neutralization turning right and down. a starting position
- » FIGURE 7.13 - neutralization turning right and down after turn.
 - VIDEO 7.5 - two hand, "straight line" neutralization, left and down
- » FIGURE 7.14 - neutralization turning left and down. a starting position.
- » FIGURE 7.15 - neutralization turning left and down after turn.
 - VIDEO 7.6 - two hand, "straight line" pusher arms both
- » FIGURE 7.16 - neutralization, pusher inside. a starting point
- » FIGURE 7.17 - neutralization, pusher inside. after turn.

- VIDEO 7.7 – two hands, pusher with both arms outside.
- » FIGURE 7.18 – neutralization, pusher outside. a starting position
- » FIGURE 7.19 – neutralization, pusher outside. after twist.
 - VIDEO 7.8 – two hand, defender not going backwards
- » FIGURE 7.20 – neutralization, example not going backwards. a starting point.
- » FIGURE 7.21 – neutralization, example not going backwards. after neutralizing.
- » SOME THOUGHTS
- » REVIEW
 - aim
 - the point
 - neutralization
